

## **Report to Parish Councils – July 2022.**

### **Prepared by Cllr Stephen Bunney**

Unfortunately, I can not be with you tonight as I am attending a Full Council Meeting of West Lindsey District Council.

### **Defibrillators – Heart Start Machines**

Every minute without CPR [cardiopulmonary resuscitation] and defibrillation reduces the chances of survival for a heart attack patient. The NHS and Ambulances services are promoting ‘**The Circuit**’ a National Registration scheme for outside defibrillators. 999 response teams will use the database to inform callers of the device locations and how to access them. Many of Lincolnshire’s defibrillators are registered but not all. Parishes are asked to check that all external machines are registered. Details can be found at:

### **Good Homes Alliance**

Lincolnshire County Council are exploring how they residents to repair and improve their homes. Including those that need to make adaptations, so they can live independently. To create a viable and effective scheme officers need to know what information and services residents need to access to make these improvements. Therefore, residents are invited to help provide this information by completing a short survey or sharing ideas on The Let’s talk Lincolnshire Platform. Information can be recorded on a resident’s own behalf or that of a relative/friend/neighbour.

### **UK Shared Prosperity Fund**

West Lindsey District Council have received a grant of £2.7million from the UK Shared Prosperity Fund to spend on improving the district. [UKSP is the grant money made available by The Government to replace European Grants]. The exact schemes which will benefit from the fund have yet to be finalised. They will be based on the following themes: Crime, Fuel Poverty, Community Infrastructure for the young and elderly, access to broadband and education/training opportunities to develop the skills of local people.

UKSP schemes are in addition to projects covered by The Corporate Plan.

I will be working with local members to ensure that the UKSP projects benefit the whole district and not just the major urban areas.
